

# WIG FEST

Benefiting the Wig Bank of Caldwell County

Members CU sponsored the first Wig Walk in 2012 to raise money for the Wig Bank of Caldwell County, a nonprofit cancer services center that provides prosthetic wigs for cancer patients, promotes the importance of cancer screenings, and provides funds to cancer patients for transportation to cancer treatment centers.

We are excited to celebrate the very first Wig FEST, a street festival, to benefit the Wig Bank of Caldwell County on Saturday, June 1st on the corner of Boundry Street and Harper Avenue in downtown Lenoir. Join Members Credit Union by becoming a Wig FEST Sponsor. Your sponsorship will help make this year an awesome year and give your company or organization recognition as a corporate sponsor. Please read the sponsor levels to find out how you can get involved in the 2019 Wig FEST.

June 1, 2019
